

It's Hairspray (2 minutes, 20 seconds)

Silly Billy – **BLUE**

Chorus – **BLACK**

All Together – **PURPLE**

What gives a girl power and punch?
Is it charm, is it poise? No, it's hairspray
What gets a gal asked out to lunch
Is it brains, is it dough? No, it's hairspray

If you take a ride (ooh) with no can at your side
Then your flip will be gone with the wind (ooh)
But if you spray it and lock it, you can take off in a rocket
And in outer space each hair will be in place

Why take a chance when you get up and dance?
If you twist, I insist you use hairspray
And tell your mother (ooh) her head she should smother
With Ultra Clutch faithfully

So if you're a redhead, a blond or brunette
Just take my advice and you might just get (you might just ooh)
The only thing better than hairspray, that's me!
(Ska-doo-dle-e-ya, doo-dle-e-ya do wah)
Forget the milkman, the only thing better than hairspray
(Hairspray, wow!) That's me!

Ah, ah, ah, ah-ah-ah, ah-ah-ah
Ah, ah, ah, ah-ah-ah, ah-ah-ah
Ah, ah, ah, ah
What makes a man reach out and touch?
Ultra Clutch!

So if you're a redhead, a blond or brunette, ooh
Just take my advice and you might just get (you might just ooh, ooh)
The only thing better than hairspray, that's me!
Ska-doo-dle-e-ya, doo-dle-e-ya do wah
He's Corny Collins! (woo)
The only thing better than hairspray
(Hairspray, wow!) That's me!

Instrumental to end the song

Big end!

Man, I Feel Like a Woman (1 minute, 27 seconds)

Dame – **BLUE**

Chorus – **BLACK**

Let's go girls

C'mon

I'm goin' out tonight, I'm feelin' alright
Gonna let it all hang out
Wanna make some noise, really raise my voice
Yeah, I wanna scream and shout, uh

No inhibitions, make no conditions
Get a little outta line
I ain't gonna act politically correct
I only wanna have a good time

The best thing about bein' a woman
Is the prerogative to have a little fun and

Oh, oh, oh, go totally crazy, forget I'm a lady
Men's shirts, short skirts
Oh, oh, oh, really go wild, yeah, doin' it in style
Oh, oh, oh, get in the action, feel the attraction
Color my hair, do what I dare
Oh, oh, oh, I wanna be free, yeah, to feel the way I feel
Man, I feel like a woman (hey!)

The girls need a break, tonight we're gonna take
The chance to get out on the town
We don't need romance, we only wanna dance
We're gonna let our hair hang down

The best thing about bein' a woman
Is the prerogative to have a little fun and

Oh, oh, oh, go totally crazy, forget I'm a lady
Men's shirts, short skirts
Oh, oh, oh, really go wild, yeah, doin' it in style
Oh, oh, oh, get in the action, feel the attraction
Color my hair, do what I dare
Oh, oh, oh, I wanna be free, yeah, to feel the way I feel
Man, I feel like a woman
Uh, huh

A Million Dreams (1 minute, 35 seconds)

Rapunzel – **Solo**

I close my eyes and I can see
A world that's waiting up for me
That I call my own
Through the dark, through the door
Through where no one's been before
But it feels like home

They can say, they can say it all sounds crazy
They can say, they can say I've lost my mind
I don't care, I don't care, so call me crazy
We can live in a world that we design

'Cause every night I lie in bed
The brightest colors fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're gonna make

There's a house we can build
Every room inside is filled
With things from far away
The special things I compile
Each one there to make you smile
On a rainy day

They can say, they can say it all sounds crazy
They can say, they can say we've lost our minds
I don't care, I don't care if they call us crazy
Runaway to a world that we design

Every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me awake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
Oh, a million dreams for the world we're gonna make

Crazier (2 minutes, 10 seconds)

Rapunzel – **BLACK**

Prince – **GREEN**

Rapunzel & Prince Duet – **BLUE**

I'd never gone with the wind, just let it flow
Let it take me where it wants to go
Til you open the door, there's so much more
I'd never seen it before.

I was trying to fly but I couldn't find wings,
But you came along and you've changed everything.

You lift my feet off the ground,
you spin me around
You make me crazier, crazier
Feels like I'm falling and I, am lost in your eyes
You make me crazier, crazier, crazier

I've watched from a distance as you, made life your own
Every sky was your own kind of blue
And I wanted to know, how that would feel
And you made it so real

You've showed me something that I couldn't see
You've opened my eyes and you've made me believe

You lift my feet off the ground
You spin me around
You make me crazier, crazier
Feels like I'm falling and I, am lost in your eyes
You make me crazier, crazier, crazier

Fade Out

Confident (2 minutes, 5 seconds)

Gothel – **BLACK**

Chorus as Ghouls and Ghosts - **RED**

It's time for me to take it
I'm the boss right now
Not gonna fake it
Not when you go down
'Cause this is my game
And you better come to play

I used to hold my freak back
Now I'm letting go
I make my own choice
Bitch, I run this show
So leave the lights on
No, you can't make me behave

So you say I'm complicated
That I must be outta my mind
But you had me underrated
Rated, rated

What's wrong with being, what's wrong with being
What's wrong with being confident? Oh-oh-oh!
What's wrong with being, what's wrong with being
What's wrong with being confident? Oh-oh-oh!

It's time to get the chains out
Is your tongue tied up?
'Cause this is my ground
And I'm dangerous
And you can get out
But its all about me tonight

So you say I'm complicated
That I must be outta my mind
But you had me underrated
Rated, rated

What's wrong with being, what's wrong with being
What's wrong with being confident? Oh-oh-oh!
What's wrong with being, what's wrong with being

What's wrong with being confident? Oh-oh-oh!

What's wrong with being, what's wrong with being

What's wrong with being confident? Oh-oh-oh!

What's wrong with being, what's wrong with being

What's wrong with being confident? Oh-oh-oh! – **(snap finish!)**
